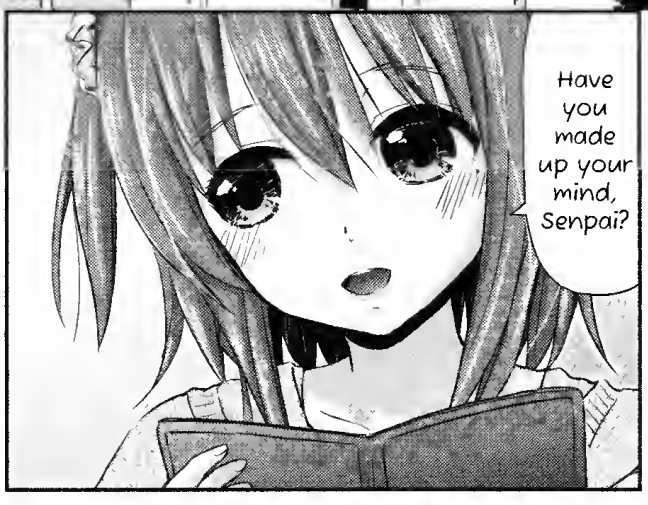
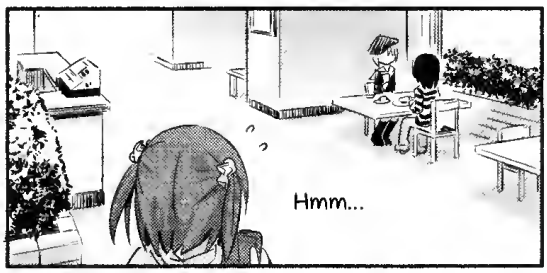
I'll call the clerk.



Have you made up your mind, Senpai?



Hmm...

She's trying to call by snapping her fingers.
They don't even snap properly...

Is this your first time at one of these?
Yup, my first time.
One of those self-service areas it seems...
Oh, it works.
Press that button there...

Shall we begin then?
Yes...
『Please Notice...』

Hehehe. Isn't it nice...
With two straws you can drink it in one gulp.

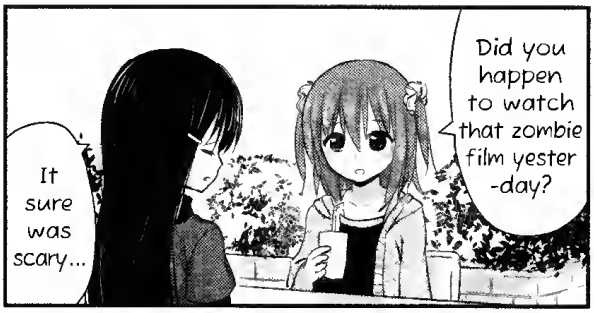
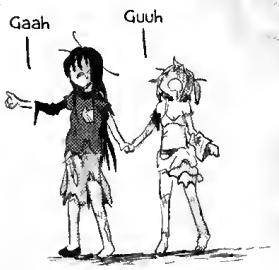
You're supposed to drink that with someone else!

Do you like cheesecake Sayuri?
Yes, it's my favorite type of cake.
『Like a butterfl[illegible]』
I like the damp taste.
It happens to be my favorite as well.
I didn't mean that...
Well, you may have mine then.
Just take a mouthful then.
Well then I'll accept your offer.
slurp
You could have used my spoon...

Excuse me, I must go to the bathroom.
『Sorry, I was just bored.』
She gets lonely so easily.
"Don't take too long."
Hehehe.
I won't.
Don't take too long.
Hmph, you took too long!
Sorry I made you wait!
Wow, she managed to fold these paper cranes from the napkins.

『It's quite bizarre.』





I'll go to the bathroom.
Okey-dokey.
『Whoops, I scared her.』
I'm back.
I'll surprise her by making lots of cranes from these paper napkins.
hee hee

SFX: Shudder
No, it's not that!
